

On-Site Registration of Applicants for the Automated Gate

Tokyo Regional Immigration Bureau, Nagoya Regional Immigration Bureau and Osaka Regional Immigration Bureau are ready to visit companies etc., which are expected to have applicants wishing to use the automated gate and offer on-site registration services to them.

This service is targeted for companies and organizations, etc., located in any of the following prefectures:

- Regions supervised by Tokyo Regional Immigration Bureau: Ibaraki, Tochigi, Gunma, Saitama, Chiba, Tokyo, Kanagawa, Niigata, Yamanashi and Nagano
- Regions supervised by Nagoya Regional Immigration Bureau: Toyama, Ishikawa, Fukui, Gifu, Shizuoka, Aichi and Mie
- Regions supervised by Osaka Regional Immigration Bureau: Shiga, Kyoto, Osaka, Hyogo, Nara and Wakayama

It is also targeted at companies etc. which are expected to have about 20 or more applicants on one site.

Companies, organizations, etc. which apply for on-site registration, are kindly requested to provide the required facilities free of charge, such as rooms, desks, chairs and power sources.

This requires an environment where communication via FOMA network is possible.

Companies and organizations which apply for on-site registration are kindly requested to contact the local immigration bureau that supervises the region where their offices are located:

- Inspection Coordination Department, Tokyo Regional Immigration Bureau (03-5796-7251)
- Inspection Coordination Department, Nagoya Regional Immigration Bureau (052-559-2112)
- Inspection Coordination Department, Osaka Regional Immigration Bureau (06-4703-2152)
