

To Foreign travelers visiting Japan for sightseeing, business, visiting relatives, etc.

March 2020
Increase in travelers
eligible for TTP registration

You can go through immigration smoothly by using automated gates!

Trusted Traveler Program (TTP) allows temporary visitors to use automated gates, and the scope of its user will expand. Eligible people are foreign travelers entering Japan for sightseeing, business, visiting relatives, etc.

• To register for TTP, certain requirements must be met (e.g., possession of a passport from a country or region that does not need a visa for visiting Japan).

Advantages of TTP registration

- Save waiting time at immigration by using the automated gates!
- You can fill out your disembarkation card online in advance!
- Your passport doesn't need to be stamped!

* An application for registration can be filed online anytime. However, after online application have been verified, the applicant must personally visit designated registration counters in Japan.
