Ministry of Corrections
of Georgia

Objectives of the Ministry of Corrections of Georgia Probation Agency

- Execution of statutory acts;
- Prevention of new crimes;
- Protection of public security;
- Re-socialization and rehabilitation of convicts

National Probation Agency implements its objectives:

- On the basis of the assessment of risk and needs of convicts;
- By individual planning of execution of sentence;
- By the necessary supervision and control over convicts;
- By the support and assistance in re-socialization and rehabilitation.

The National Probation Agency executes the following non-custodial and sentences:

- Community services;
- Correctional work;
- Restriction of Liberty.
- Conditional sentence;
- House arrest (*only for juveniles , form January 2018 it is planned to execute house arrest for adults*);

- Early release from the sentence;
- Suspension of enforcement of sentence;
- Diversion of Juveniles;
- Banning from holding a certain position or pursuing a particular occupation;
- Banning a legal entity from practicing a particular occupation;

• House Arrest

Execution of house arrest started from January 1, 2016 in Georgia;
From January, 2018 it is planned to use this sanction for adult offenders;
House arrest is generally enforced by using of electronic monitoring system.

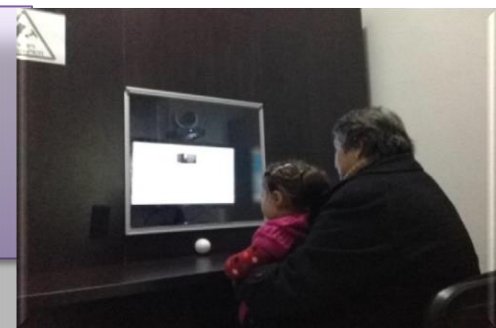

• Community Service

Community service was introduced in 2001. It is an offender's unpaid work intended to be of social use. The type and daily working hours of community service are defined by the probation bureau;

• Video Conference Service

- Since 2011 - Video-conference service;
- Can be used by any person with the consent of offender;
- direct visual and verbal contact with inmate from Probation Bureaus;
