

Request to defer travel

Until further notice, you are strongly urged once again to cancel any short-term travel, which is based on the premise of return to (re-entry into) Japan, to the countries/regions designated as countries / regions with the variants of particular concern for border control measures and countries / regions designated as subject to infectious disease risk category level 3 by the Ministry of Foreign Affairs and the Ministry of Health, Labor and Welfare.

Moreover, when returning to (re-entering into) Japan from any country / region whatsoever, in principle, you must carry with you a test certificate showing that you undertook a COVID-19 test within 72 hours prior to departing from the country of departure and that the test result was “negative”.

Note 1. Please check the following for the countries / regions designated as having the variants of particular concern for border control measures by the Ministry of Foreign Affairs and the Ministry of Health, Labor and Welfare.
