【Important】 Announcement

For those of you who have received an offer of employment for spring 2027 and are planning to apply for a change of status of residence from a status such as “Student” or “Designated Activities (Continuing job hunting)” to a status that authorizes you to work at the Tokyo Regional Immigration Services Bureau (Shinagawa Office)

1 Those whose current period of stay expires on or after February 1, 2027

It will be possible to apply from Tuesday, December 1, 2026.

2 Those whose current period of stay expires before January 31, 2027

（1） If your current status of residence is “Student”,
Please apply for extension of period of stay.

Scan here for more Information about the extension.

Scan here for more information about the change of status.

（2） If your current status of residence is “Designated Activities (Continuing job hunting)”,
Please apply for a change of status of residence (to “Designated Activities (staying in Japan until employment is confirmed while enrolled in or after graduation from a university or other institution)”).
