○Application software "Calling" is used for online consultation.

If you use PC;

→if your browser is either Google Chrome or Microsoft Edge, you do not need the application.

Just click URL we send in the reservation confirmation email to start consultation.

If you use any other browsers, [click here](#) to install the desktop application.

If you use a tablet or a smartphone;

→you need to install the application in advance.

[Click here](#) to install the application by the time of your consultation.

○The communication fees for online consultation will fall on you.

○Recording of online consultation is prohibited.

○Furthermore, you need to agree to "Notes and precautions for users of online consultation" which is displayed when making a reservation on the Internet.

(1) Make a reservation on the Internet

① Select "online consultation" in the reservation form and enter required items such as date/time you wish to consult on, your inquiries and your email address.

② When your reservation is registered appropriately, a "temporary reservation email" is sent to your registered email address.

(2) Check the reservation confirmation email

③ We contact you within 2 business days after you receive a temporary reservation email. We arrange your consultation date/time and confirm the details of your inquiries.

④ You get a reservation confirmation email after the consultation date/time has been fixed.

Be sure to check your consultation date/time and URL for online consultation in the confirmation email.

⑤ If you use a smartphone or a tablet, install the application by the day before your consultation.
